

Shipping Guarantee/ Airway Bill Endorsement

Expedite clearance of goods to avoid demurrage charges

Clear your cargo before the receipt of transport document by DBS.

Applicable for shipping documents under Letter of Credit (LC) and Import Bills under Collection.

Avoid expensive demurrage* charges with a faster processing turnaround time.

At a glance

- Shipping Guarantee/Airway Bill Endorsement is a letter of indemnity from the bank to the transport company to release goods to you (importer) without presentation of the original Bill of Lading (BL)/Airway Bill (AWB).
- You submit a copy of invoice and BL and shipping company's indemnity form for sea shipment or a copy of the AWB for air shipment for DBS' endorsement.
- After DBS' endorsement, the transport company will release the cargo to you based on the indemnity form endorsed by Bank.
- The indemnity will be cancelled only when the original BL or AWB is surrendered to the transport company for redemption.

Designed for

- Companies buying perishable goods such as seafood, meat, fruits, vegetables, cut flowers and dairy products.
- Goods that require short distance shipment by sea or air.
- Wholesalers and importers such as supermarkets.
